

## Monster Of The Week

### Description

The monster of the week is a social web service that allows members to create a Dungeons & Dragons 5th edition character to face off against a monster chosen randomly every week. Users of the service can then vote for their top four characters to face off against this monster.

### Project details

- Category: General
- Difficulty:
- Suggested stack: Not specified
- Approval status: Approved

### Target users

As a Moderator, I need to be able to add and update Users.

### Tags

MVP, Notes, Optional

### User Stories

Additional Notes

Required APIs

[<https://open5e.com/api-docs>](<https://open5e.com/api-docs> "smartCard-inline") - D&D 5e rules, No required key

?

### Optional APIs

[<https://selectpdf.com/html-to-pdf-api/>](<https://selectpdf.com/html-to-pdf-api/> "smartCard-inline") - html to pdf, 7 day trial demo key

[<https://www.deviantart.com/developers/oembed>](<https://www.deviantart.com/developers/oembed> "smartCard-inline") - deviantart image url call, also no required key

### Submit

As a Member, I need to be able to submit a character once a week, a Character may include: Name, Rolled Stats, Classes, Races, Spells, Background

### Withdraw

As a Member, I need to be able to withdraw from the competition, deleting my character

### List

As a User, I need to be able to see a list of all user characters

#### Filter

As a User, I need to be able to filter the list of characters

#### Party

As a Member, I need to be able to build a party of up to four characters to face the monster

#### Vote

As a Member or Anonymous User, I need to be able to vote for my favorite party during the voting period

#### Content

As a User, I need to be able to report content as inappropriate. This will hide the character from public viewing until review by a moderator.

#### List Content

As a Moderator, I need to be able to see a list of reported characters

#### Delete

As a Moderator, I need to be able to delete characters that have been reported if content policies were violated

#### Update

As a Moderator, I need to be able to update reported characters as reviewed, making them publicly visible again and preventing further reporting

#### Ban

As a Moderator, I need to be able to ban repeat offenders of content policies

#### Promote

As an Administrator, I need to be able to promote member accounts to moderator accounts

#### Moderators

As an Administrator, I need to be able to add, delete, and update moderators and users.

#### Demote

As an Administrator, I need to be able to demote moderators to members

#### Explain

(Optional) As a Member, I need to be able to write an explanation of their party choices

#### Equipment

(Optional) Members should be able to add equipment to their characters using a set amount

of gold each week

Edit

(Optional)As a Member, I need to be able to edit their character choices up until a cutoff

PDF

(Optional)As a Member, I need to be able to print their characters as a pdf

Artwork

(Optional)As a Member, I need to be able to upload custom artwork

Review

(Optional)As a Moderator, I need to be able to approve custom art work. Custom art work needs to be approved prior to use.

Winner

(Optional)As a Member, I need to be able to have some indicator that I am a winner on my username for posts

Warning

(Optional)As a Moderator, I need to be able to send warning messages for the first offense and ban notification

Conflict

(Optional)As a Moderator, I should not be able to delete characters that I have reported as inappropriate, lowering the risk of moderator role abuse

Account

(Optional)As an Administrator, I need to be able to delete accounts entirely

Admin

(Optional)As an Administrator, I should not be able to delete the last Administrator
